Congratulations to the Class of 1985 upon graduation. Your twelve years of hard work have come to an end, and it is now time to take pride and to celebrate. But this is only a beginning. It is not time to stop. Ahead lie untold opportunities for future achievement and accomplishment. It is my sincere wish that all graduates utilize their talents to the upmost, and that all will find happiness and success in future years.

MRS. CORRINA KAY
Fisk University, B.A., Kean College, M.A.

ART

Awareness, representation and technique are the three qualities which formulate the word art. Our three talented teachers, Ms. Barnes, Mr. Fuller and Ms. Jacobs stress these qualities in their art courses. It is not the primary aim of our art program to make artists of students. It is rather to make them feel at home in the world of art - giving them the kind of knowledge and experience that will carry over into their out of school activities and enable them to express themselves tastefully and creatively in later years. Hopefully, some students may even be inspired to continue their art studies and make a career in this field.

North Carolina A and T State
University, B.S., M.A.

One of the major objectives in the Industrial Arts Department is to provide lab experience for the development of salable skills for the job market. This parallels the recent emphasis placed on career preparedness. All shop classes are taught safety and correct use of hand tools and machines. In most cases, useful projects are produced.

INDUSTRIAL ARTS

BUSINESS

The Business Department prepares students for entry-level positions in the world of work. A program called C.O.E. (work study) provides an opportunity for seniors to attend school and work for pay during the school year. A state mandated course called Career Education has helped eleventh graders survey various fields of work in order to choose the areas which interest them. They also learn how to prepare resumes and practice for job interviews.

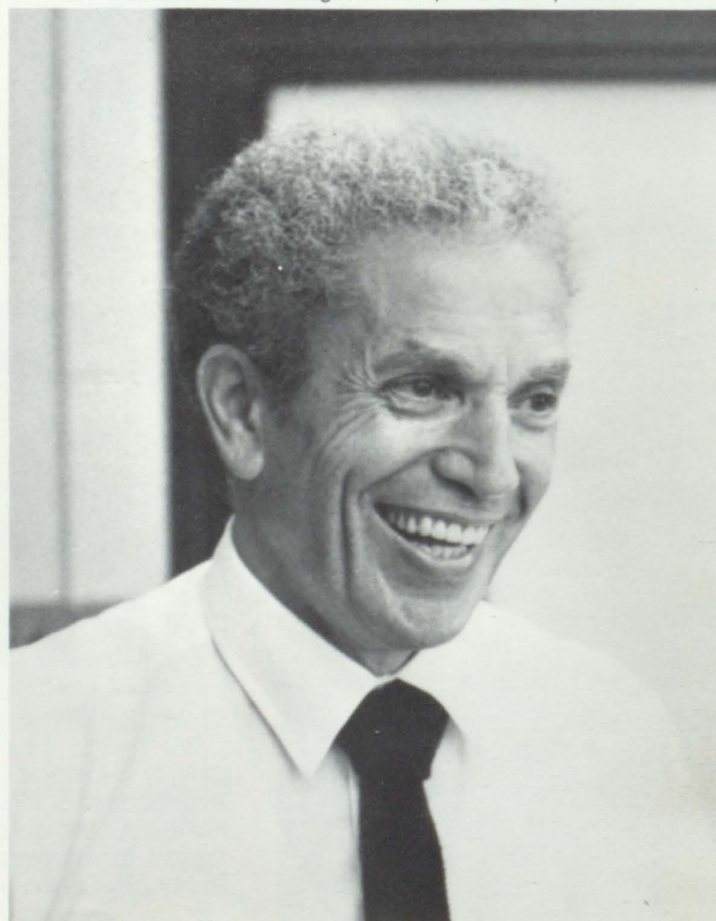

MRS. JEANETTE COZZONE
Montclair State College, BA

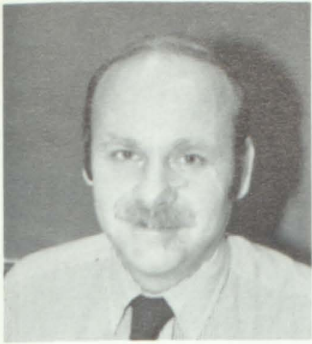

For the many years of service and dedication to the students of Central H.S., we express our appreciation and wish a long and happy retirement to Mrs. Cozzone and Mr. Feldman.

Top Right:

F. Mickens is one of the students who enjoys her foreign language course.

FOREIGN LANGUAGE

"Language"-the universal bond among the peoples of the world is handled with interests and enthusiasm in the study of French and Spanish at Central H.S. Our program includes the study of the foreign languages themselves in terms of reading, writing and speaking. Its study further investigates the geographical and cultural backgrounds of the countries whose language is being learned.

For all her years of service and dedication to the students at Central H.S., we wish to express our appreciation and wish Mrs. Grasso a long and happy retirement.

ENGLISH

In addition to four years of English, a special course, Developmental Reading and Writing has been established to help improve the skills of Central's students. We are concerned that every senior graduates. Once outside of school, communication will be even more vital to these young people and this is where our stress on English will ultimately serve its purpose.

MS. MADELYN SOBON

The Home Economics department consists of three course offerings: Foods and Nutrition, Clothing Construction and Consumers' Education. The foods and Nutrition classes are designed to teach the importance of nutrient needs to the body and how to plan, prepare and serve well-balanced and attractive meals for good health. Clothing Construction teaches the students how to select, buy and construct garments that enhance their physical appearance. Consumers' Education provides the students with the opportunity to learn how to become intelligent consumers. It concerns consumer laws and the importance of comparative shopping. It also teaches the students how to budget and use their money wisely. All of the courses were developed to assist in the maximum development of each individual student, intellectually, culturally, socially and emotionally.

The aim of the Special Education Department is to meet the unique needs of each student it serves. Students attend both special and mainstreamed classes. The emphasis of instruction is placed on individualized instructional objectives and social and emotional development. A cooperative effort exists among the teachers so that each student receives a quality education.

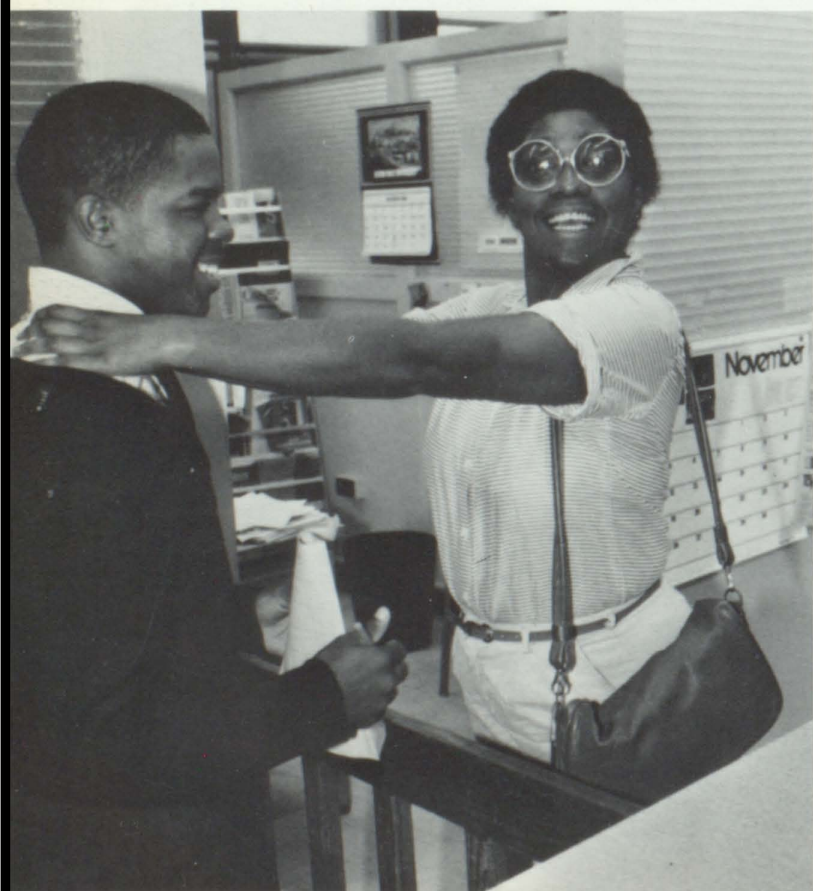

SPECIAL EDUCATION

GUIDANCE

The Guidance Department attempts to meet the needs of all students by delivering a variety of services to the Central High Community. The counselors meet with their counselees to discuss program planning, career planning, academic progress as well as personal issues. Parents, school staff and other persons may be included in conferences. In addition, counselors also conduct small and large group guidance sessions for the purpose of giving information regarding careers, colleges, business and technical schools, financial aid, and many other issues. Counselors act as consultants to students, parents and teachers.

Since we first came to Central H.S., Mrs. Esposito has been a permanent part of the Guidance Office. We would like to express our thanks and appreciation to her and we want to wish her a long and happy retirement.

MATHEMATICS

The major goal of the Mathematics Department is to give each student the best education possible to meet future needs. In the near future, we plan to offer additional courses in computer literacy and computer programming. Moreover, since we are centrally located in an area surrounded by colleges and universities, we are able to involve our students in some of their program offerings while attending Central High.

SOCIAL STUDIES

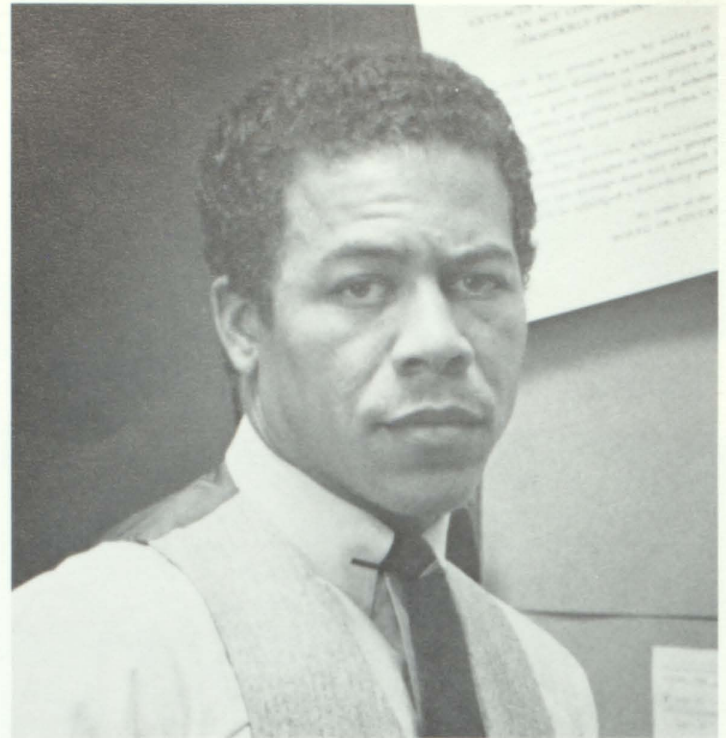

The Social Studies Department at Central H.S. goes beyond the context of the study of History. It includes such diverse subjects as Sociology, World Affairs, Civics, Law In Action and Afro-American Studies. These subjects along with the requirements of United States History I and II make for an ideal curriculum. We as a department are dedicated to the philosophy that the past may help an individual develop and shape his future.

MARCUS FRANKS

Congratulations to the Class of '85. We walked, talked and sometimes loitered in the halls together and achieved academically as best we could during our years at Central High School. Now the dream of graduation has finally become reality and it is time to say good-bye.

Set high goals, be successful with your accomplishments and your future plans. Attend college or trade school so you can qualify for a good-paying job. Good luck in the future. Let us organize and educate ourselves for knowledge is power.

TEN YEARS FROM NOW . . .

Roger Graham

I will have a house, a woman who loves me, 3 children, a car and lots of money in the bank. I will have bought my mother a house and car also.

Gwendolyn Spears

I will have been a computer programmer for 5 years. I will be living in Los Angeles. I will be married with 4 children and will be living in a beautiful house.

Lorita Green

I will be graduated from a business school, I will have a beautiful home and have two children.

Vandetta Reid

I will have graduated from college and will have been a computer programmer for six years. I will be married, have three children, and have traveled all over the world.

Arolyn Roberts

I will have had a bigger and better position in my job. I will have been married and will have two children.

Carolyn Roberts

I will have achieved the goals that I have set. I hope to be an accountant, have children, a husband, and be living a healthy and wonderful life.

Vonell M. Rogers

I will have a lovely home in South Jersey. I will have been working as a registered nurse for five years and will be a proud mother of three; hopefully triplets.

Kimberly Roper

I will have graduated from college and medical school and have worked as an intern for two years.

Linda Pitts

I will have graduated from business school. I will be living in Chicago, have a job as a program analyst. I will have a child and will have been married for 5 years. I will have traveled to Mexico, Europe, California and Hawaii.

Carmella Johnson

I will have graduated from college and have a career in accounting or computer programming. I will have my apartment furnished nicely. Maybe I'll become a wife and a mother.

Victor Sanchez

I will have graduated from college and will have directed a couple of Broadway plays, T.V. commercials, videos, motion pictures, and TV series. I will live in my penthouse in New York, but my estate will be Hollywood, California. I will be a well-known director and will establish several fashion industries around the country and will have traveled around the world in my private jet.

Anthony L. Porter

I will have been a graduate of a State University and also of the Officers' Training School. I will be ranked as a Lieutenant Colonel in the National Guard. I will be married with four children.

La-Wanda Price

I will have attended college and graduated. I will most likely be a computer analyst for at least eight years. I will have traveled to Hawaii and California. I will have been married for about three or four years and will have raised a family of three. I will also be studying the science of birds and reptiles.

Jamillah Pugh

I will have graduated from college and will be an elementary school teacher. I will be married with no children and will be living in a big house.

Jerry Reaves

I will have graduated from college and have my career going strong. Maybe I will be married and have a family.

Ondra Watson

I will have become a secretary after graduating from secretarial school. I will be married with two children.

Stephen Woodridge

I will have graduated from college and be in medical school.

Cathy Ann White

I will have been in the Marine Corps for two years and will be a successful computer operator and programmer and have two children. I will live in Philadelphia with my husband.

Sharonda Walker

I will have graduated from business school having majored in accounting. I will be married to a handsome and intelligent young man and I will have two children. I will be living in Maryland.

Paul Worsley

I will have finished college and will be living in South Jersey or Hawaii. I will be in charge of or in a high position of a major corporation. I will also be doing professional cartooning on the side. I will have been married for about seven or eight years and will have three or four children. I will be financially secure, having a loving wife and family, a nice home and a satisfying career.

Deborah White

I will have gone to college and become a full time secretary and have a family of about three children and a husband.

Yolanda Sutton

I will have graduated from college and will be working as a computer operator while studying for another trade. I will have been successful and I will have raised my daughter and will be living in a beautiful home.

Henretta Williamson

I will be an executive secretary, married with two children and will have traveled around the world.

Laverne Ward

I will have left the service and will have been working on computers for six years. I will have gone to Florida, California, and Bermuda. I will be single and have no children.

Sharronne White

I will be an accountant, a college graduate and I will be married with two children.

Theresa White

I will have been a secretary for seven years and will have moved away from Newark, perhaps to Plainfield. I will be married and have twins, either two girls or a boy and a girl.

Tonya Williams

I will have served in the Navy for four years and will have been a successful businesswoman for six years.

Rhonda Webster

I will have graduated from college and will have been a nurse for six years, living in Washington D.C. with the one I love. We will be happily married and have one child.

Dedry Weldon

I will have graduated from college with a degree in administration. I will be married for two years.

Arenzo Smith

I will be successful in the career I choose.

Sandra Tyson

I will be just graduating from medical school. I will have traveled to Panama, Paris, Africa and Switzerland. I will just be thinking about getting married. I will not have any children until I am married.

Timmy Burton

I plan to be in the Airforce with a Mercedes Benz.

Blondell Roane

I will have graduated from college and I will have been a nurse for six years. I will have traveled to Paris and Switzerland. I will be single with no children. I will be living in a penthouse with servants waiting on me hand and foot.

Darrin Moyer

I will have a job making lots of money. I will be living in California. I will have a wife and kids and we will live happily ever after.

Todd L. Thompson

I will have been to Florida, London, and Paris. I will be married with two children and I will be a top executive.

Kim Stinner

I will have graduated from college. I will have a nice job and a small house. I will be married with two children.

Terrence Smith

I will have completed my two years of Chamberline Junior College, been in the U.S. National Guards for four years and will be living in Orlando, Florida or Los Angeles, California. My professions will be photography, journalism, data processing and computer science and as a hobby I will be a dance instructor.

Tonya Toms

I will have graduated from college. I will be married and have one or two children.

Maxine Sanders

I will have graduated from college. I will have become a successful computer programmer or technician. I will be married and have four children. I will be living in California. I plan to travel all over the world.

Mark Jones

I will be in the armed service. I will be married with two children. I will have taken care of my mother and father and made sure that they have everything they always wanted.

Glana O'Neal

I will have graduated from college and medical school. I will have been practicing medicine for two years. I will have one child.

Deirdra Sanders

I will be married and living in Florida. I will have a successful job.

Allen W. Smith

I will have graduated from college. I will have a job as a teacher. I will be married with two children.

Auryn Santiago

I will have graduated from college. I will be 26 or 27 years of age. Probably married with two or three children. I will have a successful career and a car.

Debbie Solomon

I will have graduated from college and have started my own business in the electrical engineering field. I will have traveled almost half-way across the world. I will have received my masters degree in engineering. I will become known to society.

Riger Vazquez

I will be 26 years old. I will have enlisted in the Army for two years, graduated from college and be working as an Emergency Medical Technician.

Dawn Taylor

I will have graduated from college. I will be married to a successful man and will have some children. I will be trying to better my self. I will be looking forward to a senior class reunion.

Sharese Young

I plan to have my own car (Audi 5000 or Cordova). I plan to live in a four room studio. Hopefully I will have one child. I will have already finished school and be making plenty of money. My husband will be head manager of AT & T. I will be working full time on Wall Street as a computer programmer.

Monite Green

I will have graduated from college and will have been a social worker for six years. I will have visited my relatives in Georgia. I will have been married for ten years and will have three boys.

Deborah Bankston

I will have graduated from high school

and Business school. I will have been an accountant for eight years. I will have traveled to Florida, Japan, and Canada. I will have been married with eight children and living in a big house at the shore.

Charyne Kinney

I will have a degree in medical technology. I will have been a Medical Technologist for six years. I will have been a Catholic for ten years. I will have been married for two years and have one child. I will have participated in the Miss America Pageant. I will have mastered three languages.

Rodney Harrington

I will have completed college with a degree in Psychology. I will have been married for about three years, and will have a couple of children.

Harold Harmon

I will have a nice car similar to a Trans Am, with a Sun Roof. I will have a career in the field of computers making lots of money. I will start a family so I can settle down when I'm ready. I will have a nice house with a swimming pool. I will have done a little traveling.

Eddie Hamilton

I will have graduated from college and will have been an accountant for five years. I will have been married for two years and will have two children.

Melorie Hall

I will have completed my Navy training and I will be off to a good start in my career.

Robin Guthrie

I plan to be married and have a decent paying job. I plan to have finished business school. I plan to have one child.

Robert Grice

I will have graduated from college and will be a Mechanic or a Pro Football Player. I will have been married for a month or so, and plan to have at least three children.

Koreen Green

I will have been a secretary for 8 years. I will have moved out of Newark and will get married at the age of 21. I plan to have two children. I know I will succeed and live a happy and healthy life.

l'Esha Gray

I will have just graduated from Medical School and opened my own office in pediatrics.

Alden Woodard

I will have graduated from college and been in a Nashville baseball camp. I will have at least two children, a boy and a girl.

Dorinda Person

I will have a serious job. I will be driving a Burgandy and White El Dorado. I will be married and have a set of twin girls.

James Evans

I will be married with about two children, a gorgeous wife, and a house with a couple of cars.

Paulette Davis

I will have graduated from college and will have been a Medical Secretary for five years. I will have moved to Hollywood, California and will be married and have two children.

Scheretta Hester

I will have my own Funeral Home in Toms River making a great deal of money. I will have a nice home, and raise a family.

Glynnis Harvey

I will have graduated from college and will be a computer engineer. I will have traveled to Florida, California, and Las Vegas. I will be married with two children and live a healthy and successful life.

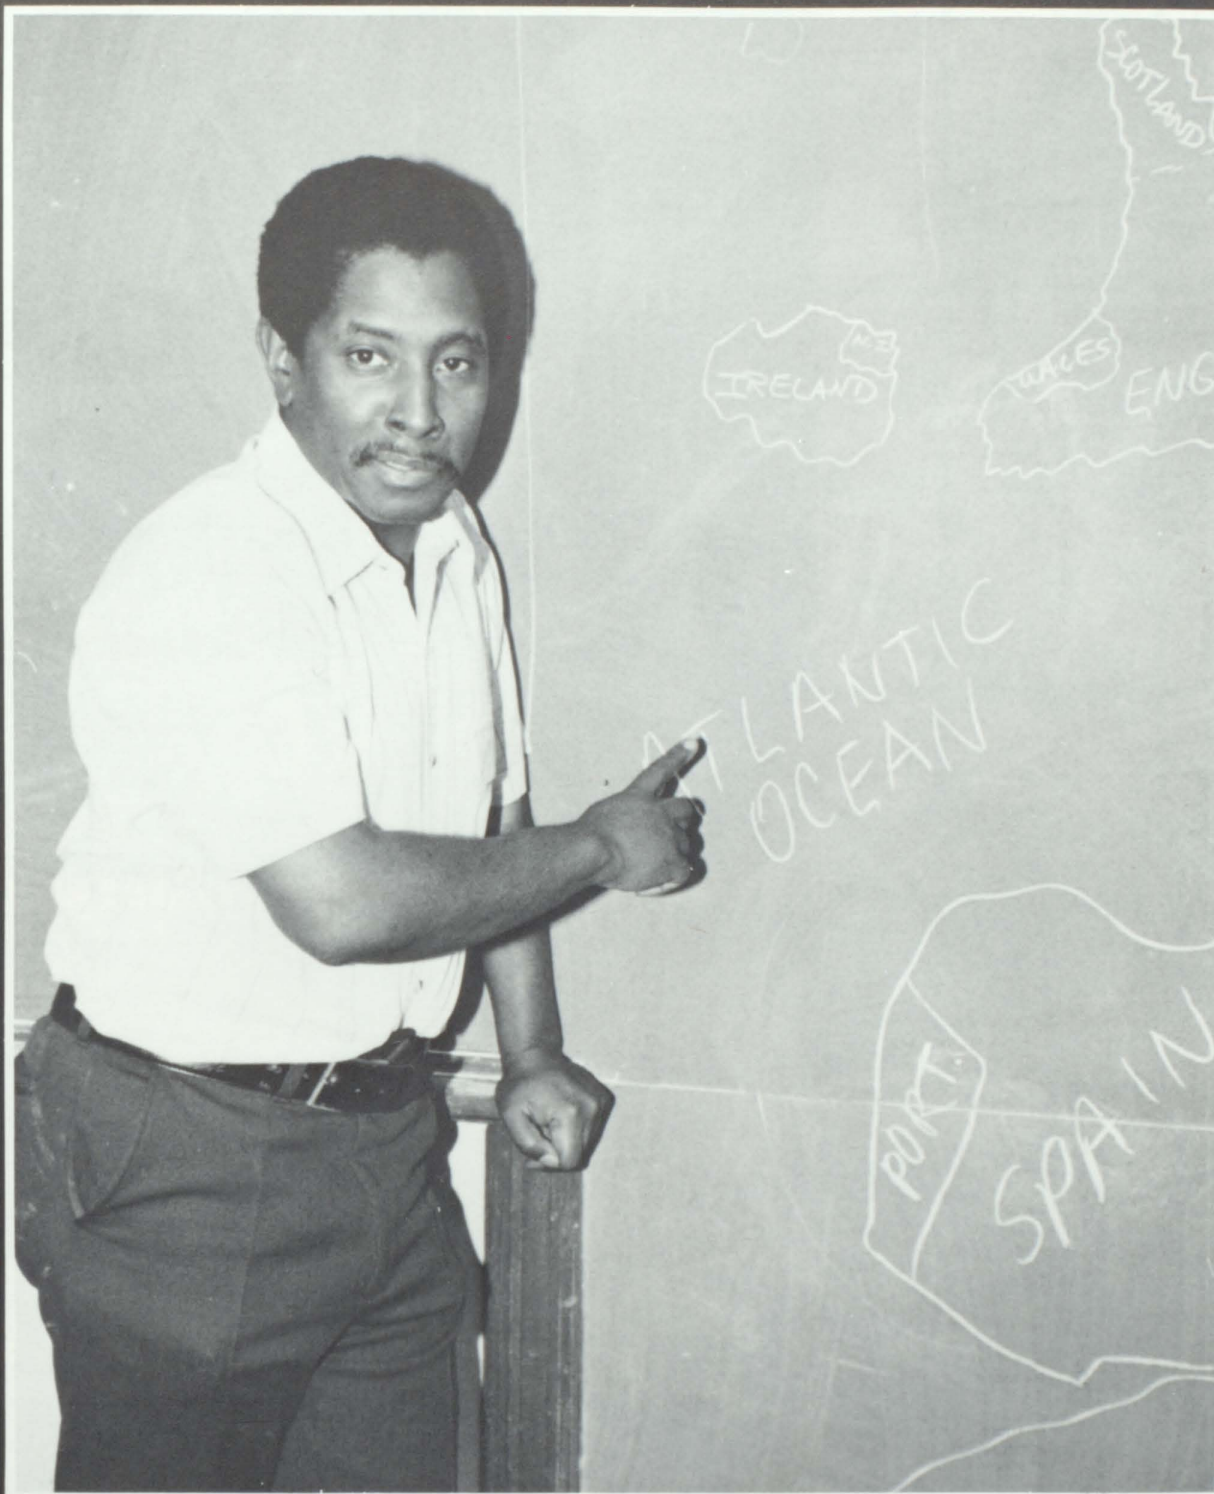

William L. Harris

I will have been discharged from the Marines, and working for about seven years as an Air Traffic Controller. I will be married and living comfortably out of Newark with my wife Carlotta A. I will have traveled to Hawaii and California and probably have three children.

Theresa Harris

I plan to marry the man I love. I plan to go to college and take up computers. I hope to become successful in that field. I will also have two children.

IN MEMORIAM

For his dedication and service to the youth of Newark, **Mr. William Hodge** will always hold a special place in the hearts of his students and colleagues. His unique style will long be remembered as he will be missed.

STUDENT OF THE 6 MONTH

One of the criteria for selecting the Student of the Month is the student's academic standing of 3.0 or above. The student must also have an outstanding attendance record and must exhibit qualities of leadership and responsibilities which improve the school and community environment.

A formal studio portrait as well as a plaque is also prepared for each student of the month by Lorstan-Thomas Studios, the sponsor of this City-wide program. The portrait hangs in the conference room at the Board of Education each month.

In June, a student of the year will be selected from among the monthly winners. The student of the year will receive a scholarship award in a formal presentation ceremony during the High Schools' Day program.

This program is co-sponsored by the Student Government and National Honor Society. It is a very successful and worthwhile program that gives recognition to students that have achieved academic excellence.

276

277

LET HER FLY INTO THE STANDS

The 1985 Blue Devil baseball team will be looking forward to defending its city title. The strong, Central hitting game will again be the menace of city rivals. Last year's championship club batted a school record .342 and was one of the county leaders in scoring. This year's veteran club looks to surpass those totals and break all existing school records for hitting, scoring and basestealing. Led by All - County players, Clarence Allen and Delvin Wilson, the 1985 Blue Devils will pose one of the fiercest attacks in the state. Allen hit over .400 as a junior and is looking to repeat his place on the All - State roster of fine hitting and slick fielding first basemen. Wilson, an All - County performer as an outfielder, will anchor the lineup in the cleanup position and pose a double threat as a hardthrowing member of the county's most experienced pitching staff.

Alden Woodard, a 1984 All - City pitcher, will use his vast repertoire of pitches to fool opponents. Woodard is becoming feared throughout the league as the one guy who can make a hitter look bad at the plate. Jason Smith, a sophomore phenom, will double as shortstop and pitcher. As a freshman, Jason led the team in game winning hits. Senior Danny Kilpatrick will be the bullpen ace and play the hot corner.

All pitching staffs need the wisdom of an intelligent catcher to guide them. Central's All - City receiver will be senior, Henry Mapps. Hank begins the season with high hopes of becoming an All - State selection because of his generalship, strong arm and hitting talents. Junior Sean West should follow in the Central tradition of quick, smoothfielding second basemen.

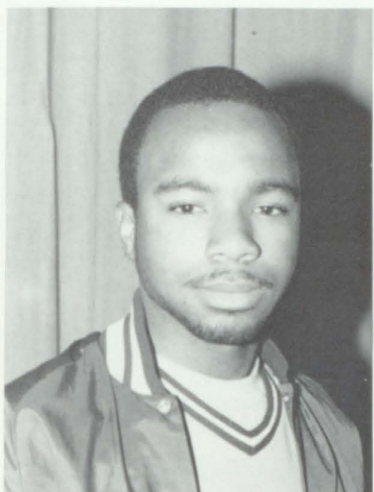

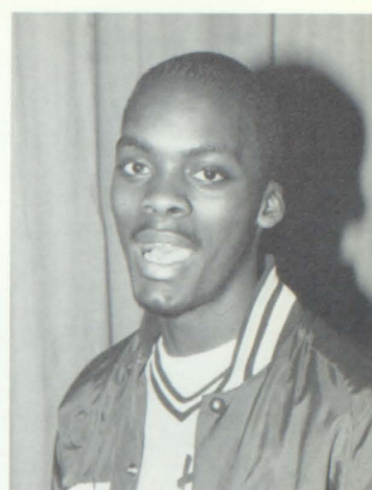

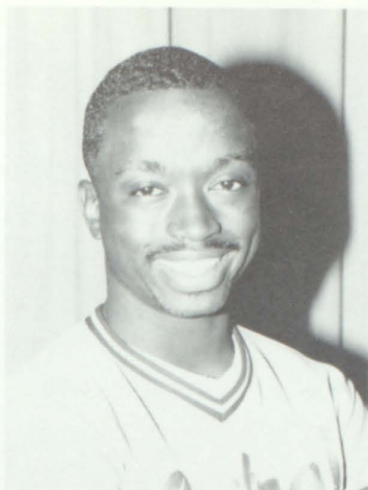

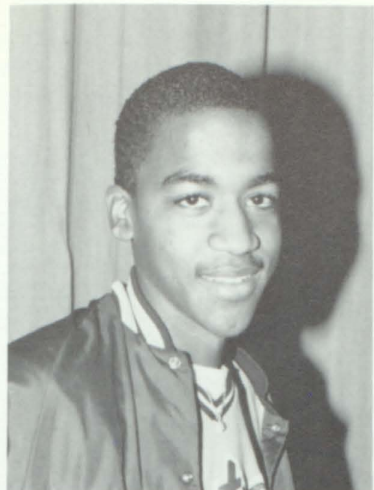

Outfielders Jerry Reaves, Chris Bowles and Phil Martin, and infielders George Greene, Maurice Johnson, Tyrone Bodison and Walter Watson will work hard to contribute to this year's efforts to win more than 20 games and repeat as City Champions.

Coaches Battaglini and Ballin both feel that this group of young men are pure pleasure to work with. The desire, dedication and discipline to win another title are all present in this talented corps of student - athletes. As the upstanding, team manager, Marcus Franks, says, "this team comes to play."

Pg. 108 Top: D. Wilson takes a base. Bottom: H. Mapps at bat. Pg. 109: From left to right: K. Jackson, T. Bodison, H. Mapps, M. Franks, J. Reaves, C. Allen, A. Woodard, D. Kilpatrick, Bottom: Capt. H. Mapps, Co-Capt. C. Allen

Pg. 110 Top: H. Mapps at the catcher's plate. Bottom: Senior members of the team. Pg. 111 Top left: D. Kilpatrick at bat. Top right: D. Wilson at bat. Bottom: Members of the team congratulate themselves.

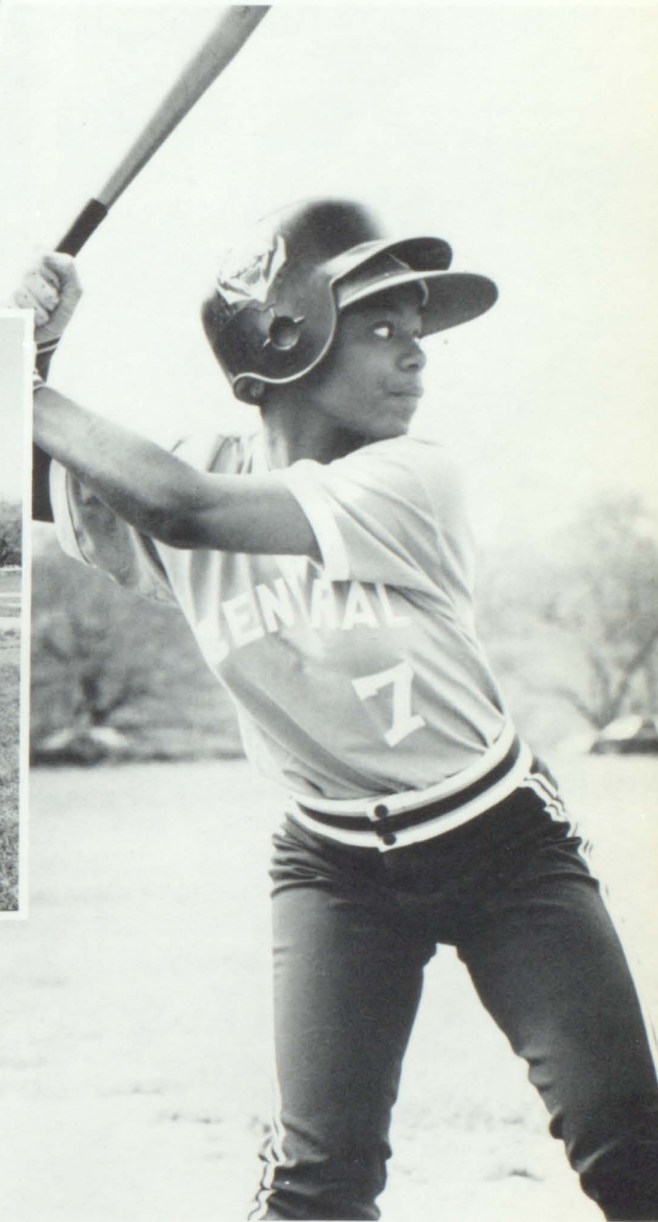

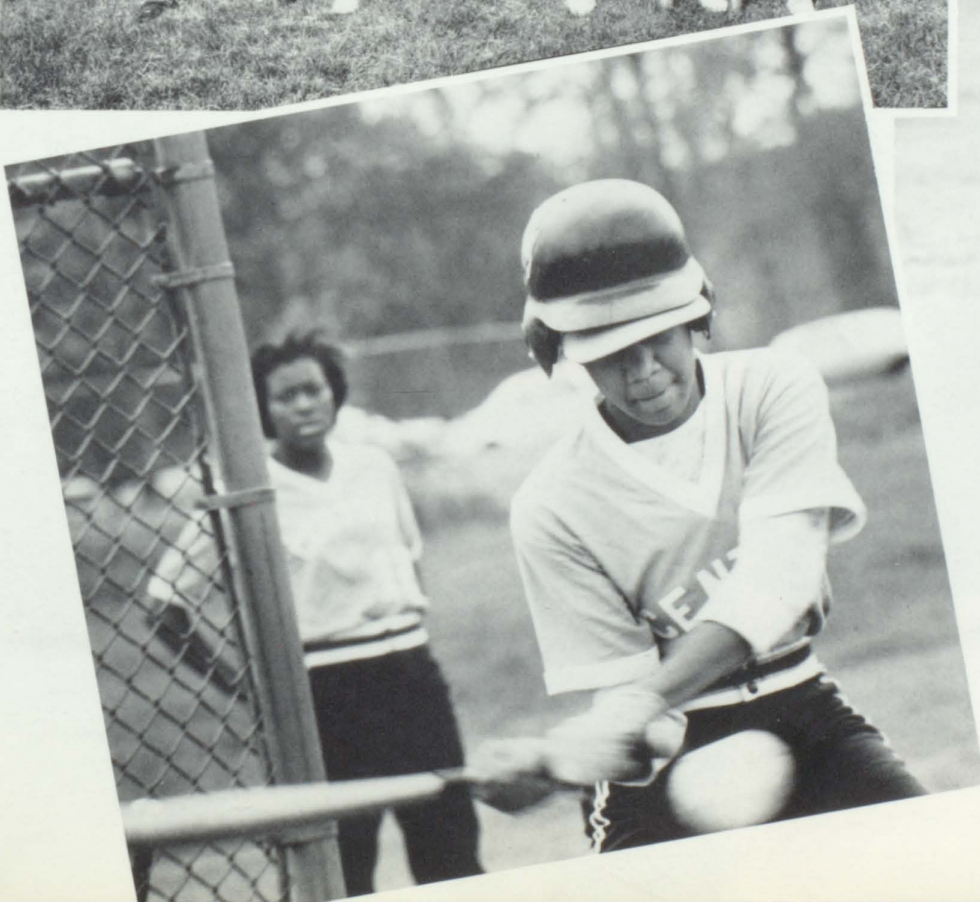

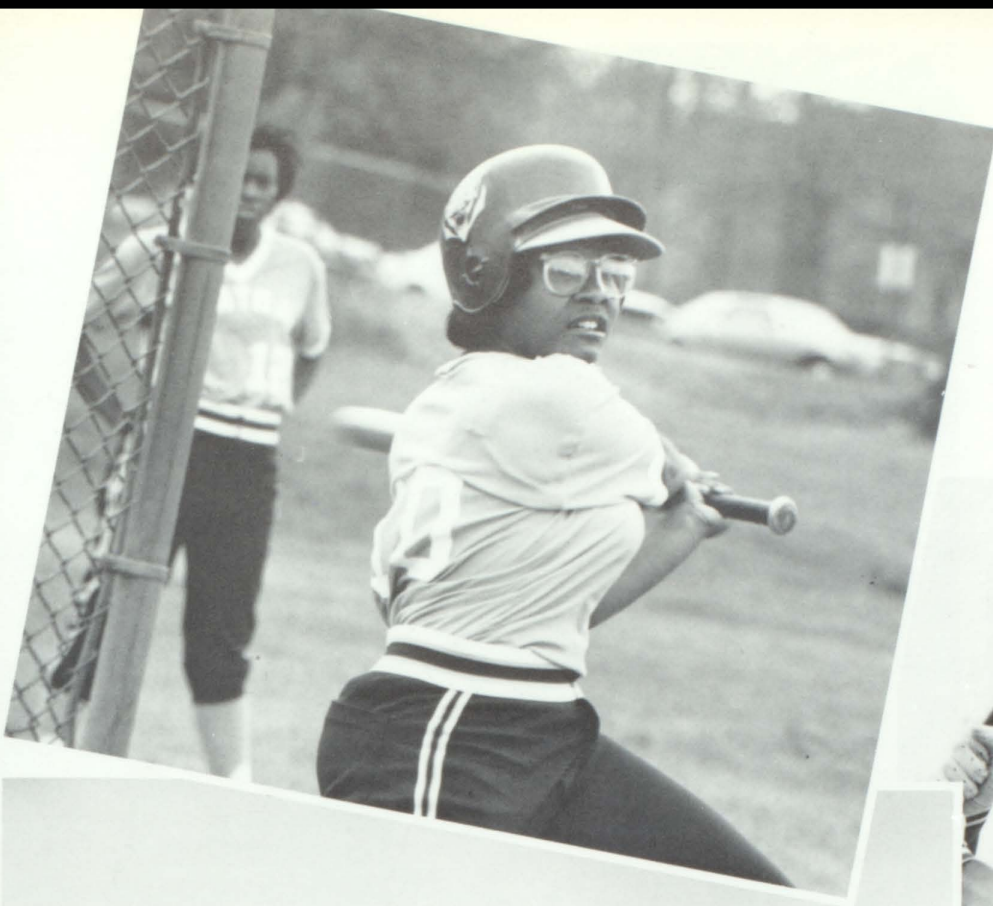

TAKE ME OUT TO THE BALLGAME

Central Softball Team will make its strongest bid ever for its first city championship. This will be possible due to the return of nine starting players.

This team will be led by five sensational seniors, captain Shakeerah Mitchell, All-City centerfielder Glynnis Harvey, Marcella Odom, Stephanie Sheffield and Dorinda Person. This year's team will be sparked by a lot of clutch hitting. The Offensive will count on co-captain Yvette Morris and Audrey Young for power. Speed on the bases will be led by Kim Howell, Tammy Washington and Robin Jones.

Where there is a winning team, there is Defense. Four year starter Shakeerah Mitchell will hold things down behind the plate and center fielder Glynnis Harvey looks good to repeat as an all-city selection. Pitching is 75% of the game and we are very strong there with ace starter Audrey Young, Tammy Washington and Robin Jones.

Clockwise from top left: S. Mitchell, M. Odom, G. Harvey and senior members of the team.

GOLF, A COMPLEX GAME

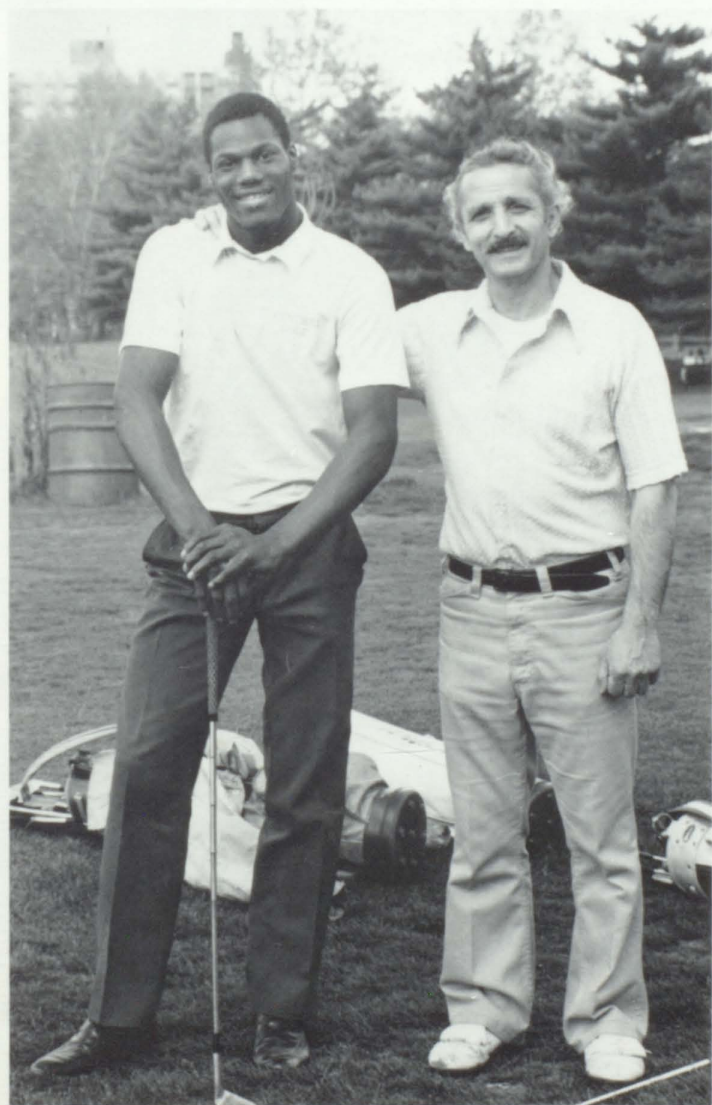

The Golf Team members work very hard developing their game skills and team attitude, during the winter clinics and golf season.

The youngsters have two factors to overcome, the strangeness of the sport and its complexity. The golf swing is deceiving for it looks easier than it really is.

The golf swing described in the language of physics involve such abstractions as torques, kinetic energy, centrifugal and centripetal forces, and the conversions of angular momentum.

Winning the city golf championship in "83 - 84" required developing the game skills, but most of all it required possessing a team spirit in an individualistic sport.

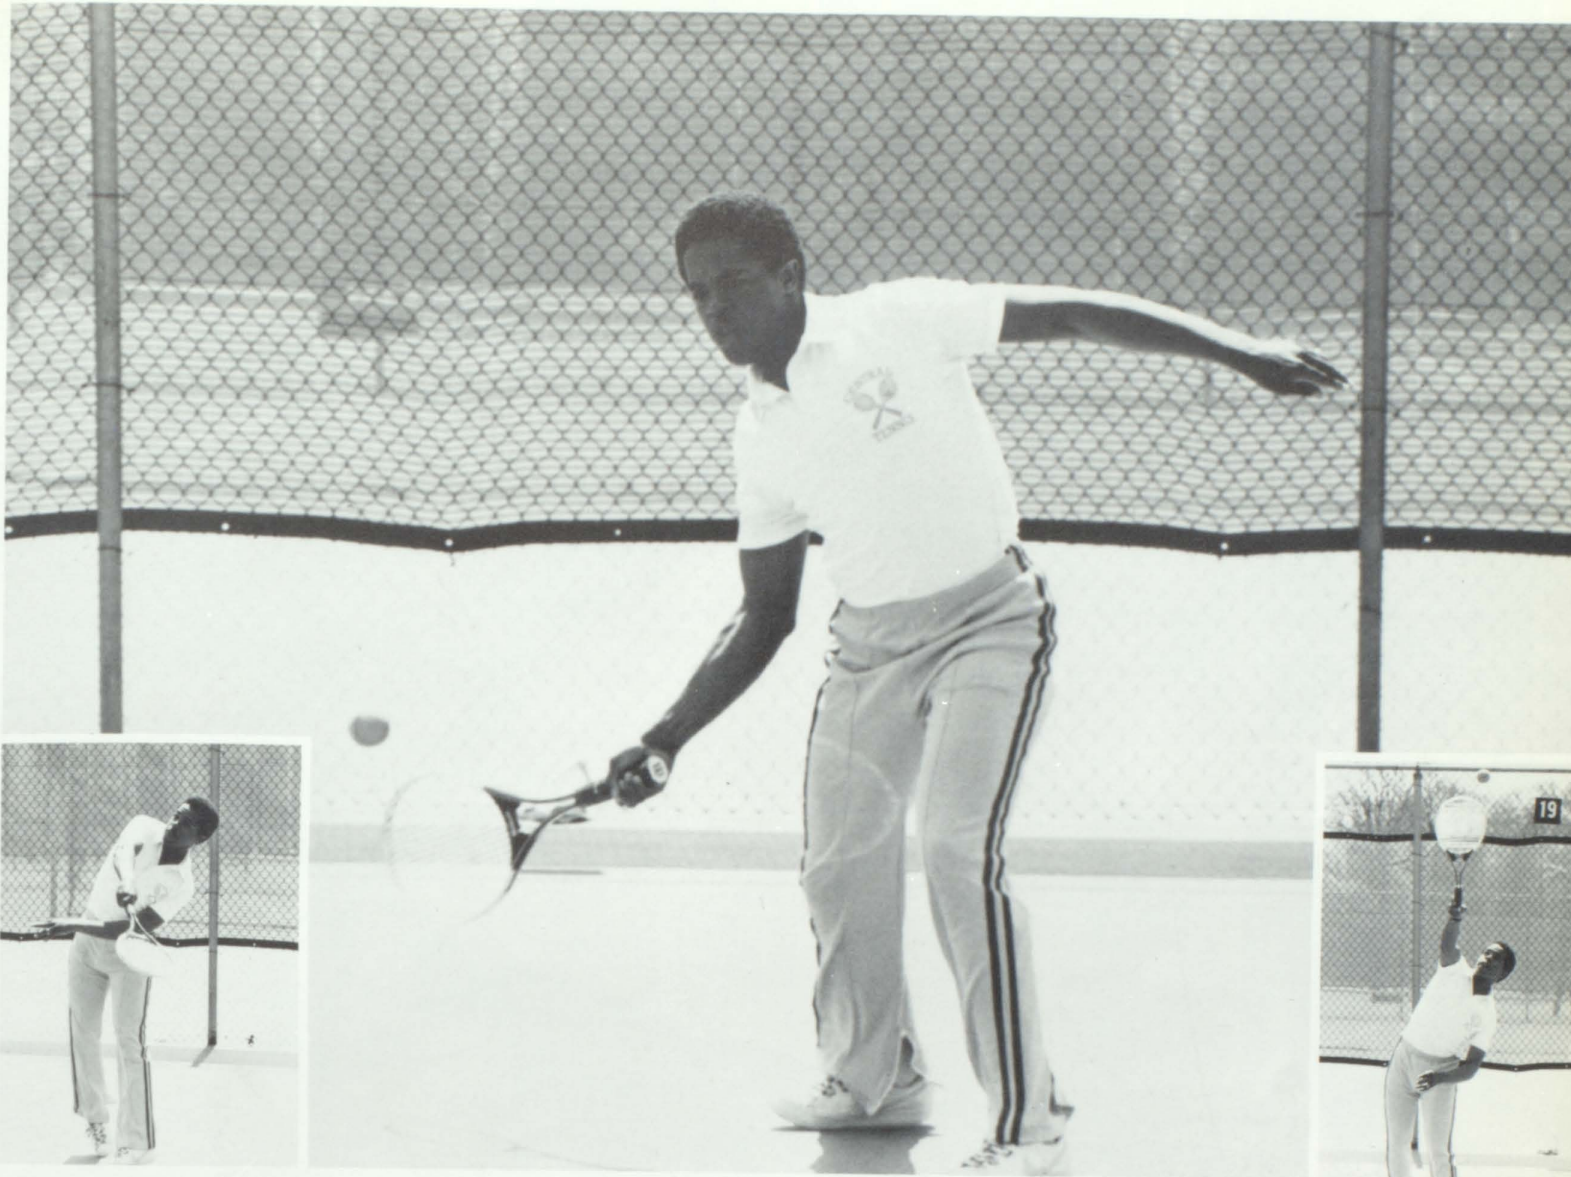

Pg. 118 Top: Golf Team members. Bottom left: T. Williams, Bottom right: J. Simpson. Pg. 119 Top left: S. Carroll. Top right: J. Simpson tries to hit the ball into the hole as S. Carroll watches. Bottom left: T. Williams and Coach Furlano. Bottom right: C. Cady

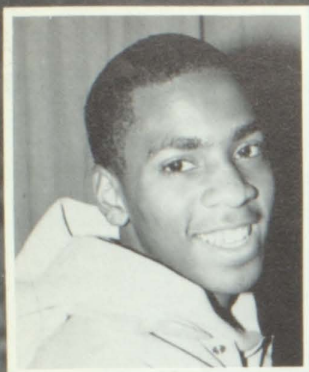

WATCH THE BALL!

Tennis is a game of strokes, skill and stamina which doubles as a sport involving highly intense emotion. Each team member trains himself or herself through rigid practice schedules and conditioning along with assistance from tennis coach Percy Lesure. With the return of our number one player, Harold Harmon to lead the team, we look forward to a successful season this year.

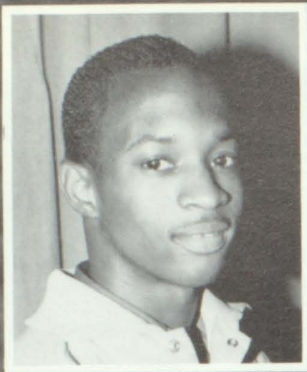

Pg. 120 Top: Coach Lesure. Bottom: The 1984 team. Pg. 121 Top: H. Harmon. Bottom left: C. Atkinson Bottom right: P. McMillan.

JUMP, JUMP

The 1985 Blue Devil Basketball team, after winning its first Hillside Tournament ever, had an up and down season. Led by Seniors Shawn McCray, Terrence Jones, Delvin Wilson, Johnathan Butts, Shawn Jones, James Evans and Tyrone Ousley, the Blue Devils finished second in a weak city league which they were expected to win. Seniors Shawn McCray and Delvin Wilson led the Blue Devils on the court averaging ten and twelve points respectively. The team finished with a 14-7 record which ranked them eighth in the county. The team had its chances but came up short, going to the quarter finals in the ECT but losing to Montclair and going to the semi-finals in the state tournament but losing to Clifford Scott. Next year should be a promising year with returning starters Jamal Pierce and Al-tariq Brown.

Pg. 124 *Top left:* J. Pierce makes his move. *Top right:* D. Wilson powers to the hoop. *Bottom:* The 1984-5 Men's Basketball Team. Pg. 125 *Top row left to right:* Delvin Wilson, Terrance Jones, Tyrone Ousley. *Middle row left to right:* James Evans, Shawn McCray, Shawn Jones. *Bottom:* Coach Daniels and the senior members of the team.

Pg. 126 *Top left:* S. McCray goes for a dunk, *Top Right:* J. Pierce goes up for a rebound. *Center:* D. Wilson dribbles toward the hoop, *Bottom Left:* S. McCray goes for a clutch, *Bottom right:* T. Jones goes up strong. Page 127 *Clockwise from top:* Coach Daniels talks strategy; D. Wilson, S. McCray, and T. Jones fight for loose ball; S. McCray struggles for rebound.

LET'S SCORE

This year's girls basketball team was a very outstanding, talented, and coachable group of girls that practiced hard and long hours. They went through fundamentals, offensive and defensive tactics along with studying some strategy. Throughout the entire season this team had a positive attitude on and off the court and displayed finesse, quickness and good sportsmanship. Senior guard/forward Stephanie Sheffield who had a good outside jumper averaged 12 points per game. Senior guard Debbie Solomon was awesome on defense. The rest of the team which includes freshman Patricia Hall, Sophomores Sheryl WashKington, Robin Jones, Lorraine Howell, and Junior Rhonda Seeley should have a promising team next year.

Pg. 128 *Top left:* K. Roper #14, *Top right:* Co-Capt. S. Sheffield, Capt. K. Roper, *Bottom:* The 1984-5 Ladies Basketball Team. Pg. 129 *Clockwise from Top left:* K. Roper out jumps her opponent, K. Roper on the fast break, R. Jones dribbles up the court and sets the play followed by D. Solomon, Senior members of the team, K. Roper, S. Sheffield, D. Solomon, & S. White.

Pg. 130 *Clockwise from left:* Sheryle goes up for two.. After Kim gets an awesome rebound, she dribbles to the corner, Stephanie shoots a "swish" jumpshot, Kim makes two for Central Lady Blue Devils, Kim and Stephanie battle their opponents for the rebound. Pg. 131 *Clockwise from top right:* Stephanie sets the pick as Kim passes the ball, Kim taps the ball to Robin, Central's Lady Devils have Vailsburg's Lady Viking's boxed out.

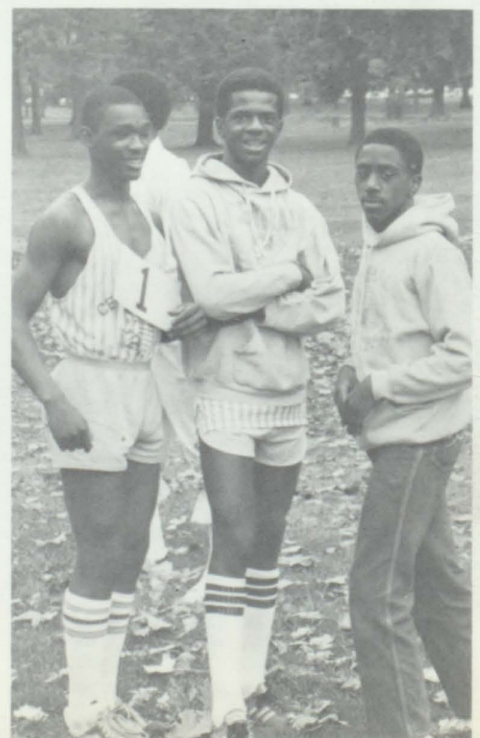

THE RACE IS ON . . .

Senior Alden Woodard guided the mighty Blue Devils during the Cross Country Season. Coach Cole said that Alden's first season as a cross country runner was a splendid one. The past cross country season was a developing track season for Sophomores Wilson McLean, Jose Minaya, and a host of Freshmen. Desiree Minattee, Theresa Boxton, Bertina Moore and Sharonda Keith lead the girls' team. Although experiencing somewhat of a disappointing season, the underclassmen are looking forward to next year when this year's experience and training will pay off.

Pg 132 *Clockwise from top left:* A. Woodard running; the 1984-5 Cross Country Team; A. Woodard, W. McLean and F. Andrews; the girls at the starting line; the boys' race begins.

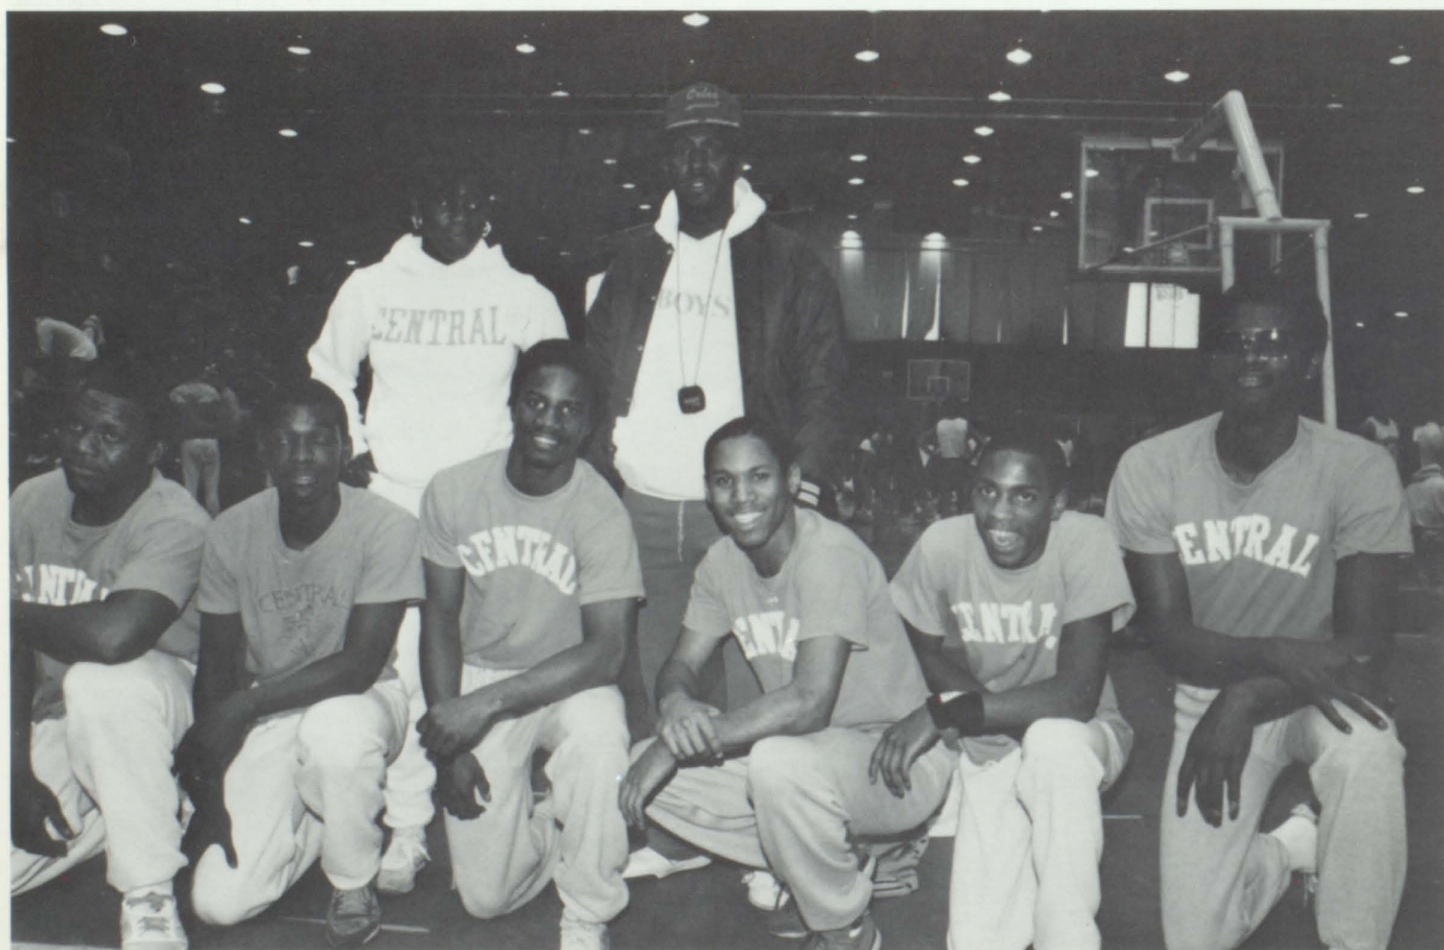

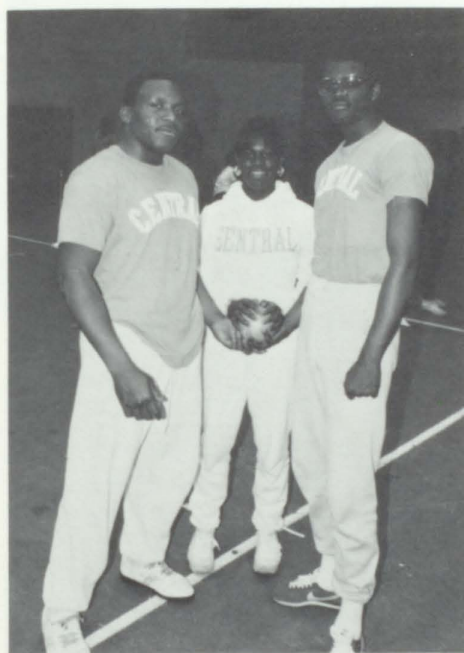

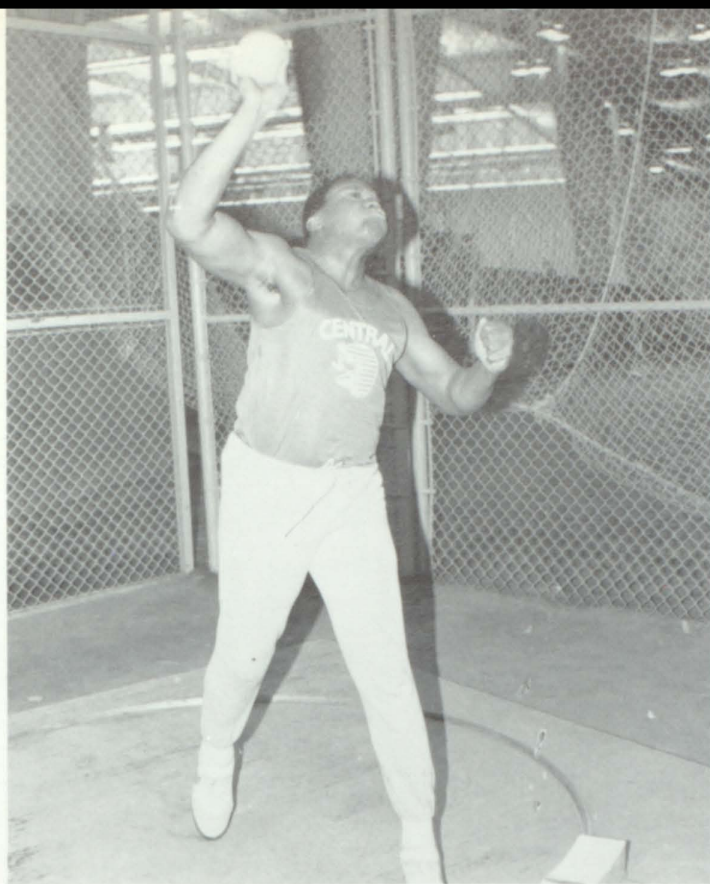

Top: M. Hall trying to pass the other candidates as they head towards the finish line. Bottom left: A. Woodard in the lead trying to maintain his position while the Vailsburg candidate struggles to catch him. Bottom right: A. Woodard representing Central in the County Cross-Country Track Meet, struggles to take the lead while the others ease up behind him.

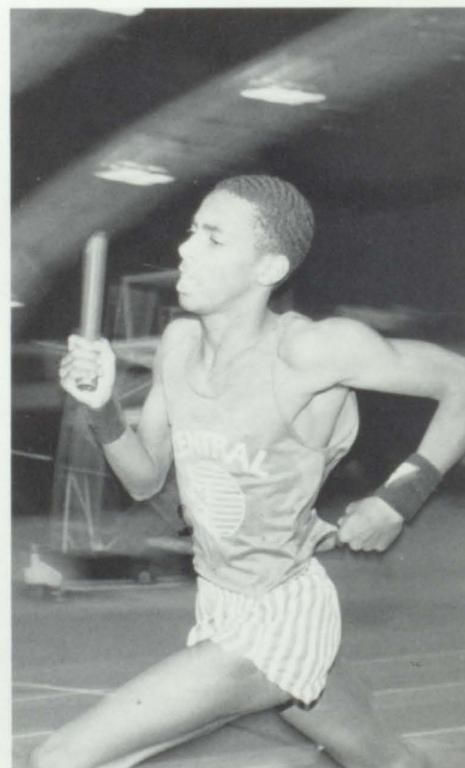

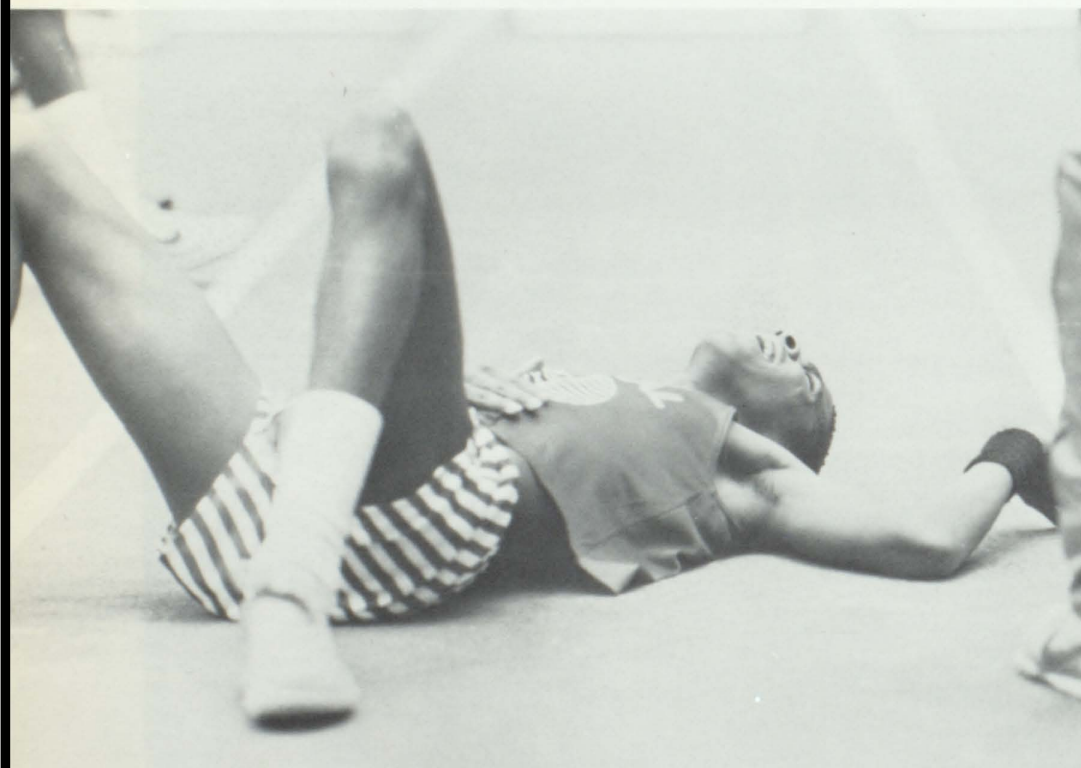

LET'S MAKE TRACKS

Our Track seniors led the way in the 1985 Indoor Relay Championship at Princeton, N.J. The team of James Keith & Tyrone Dozier, Mark Jones & Alden Woodard combined efforts to take a 3rd place finish in the Group 2 State Relay Championship winning a total of 16 medals.

Pg 134 Top: Alden Woodard at the Princeton Relays with that "look of determination" on his face. Bottom: Senior members of the team A. Walker, A. Woodard, M. Hall, J. Keith, T. Dozier, M. Jones, J. Pugh, and Coach Cole. Pg. 135 Clock-wise from top left: A. Walker showing his emotions as he winds up to throw the shotput. J. Pugh getting ready to throw the shot put and take the lead. Girls track team with Coach Stewart, last year's Coach of the Year, Boys track team, A. Walker, J. Pugh and M. Jones, the shot put team.

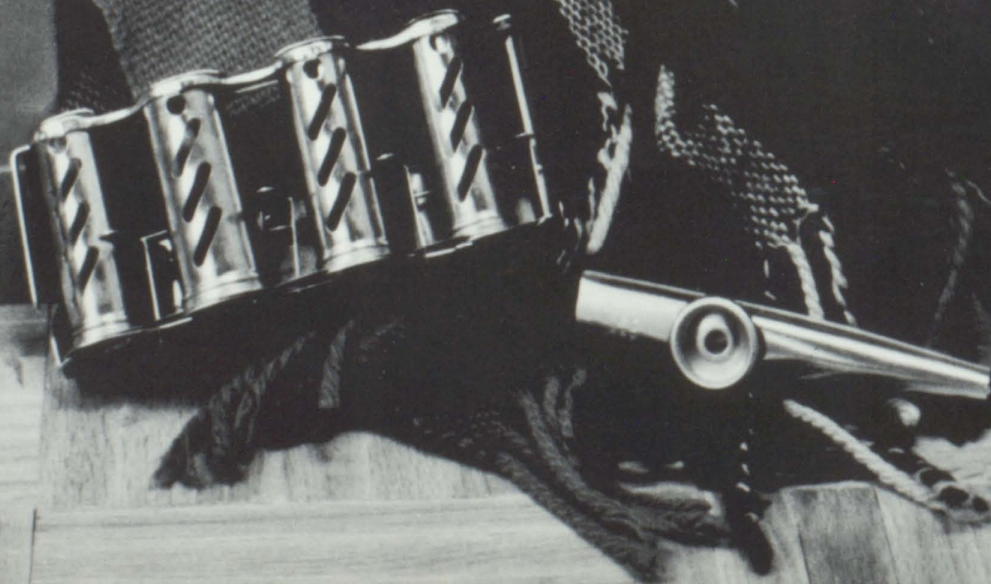

P. 136 *Clockwise from top left:* Tracey Talbert handing the baton off to Bertina Moore at the indoor Girls Group 2 Relays, Mellorie Hall bringing it home at the Indoor Group 2 State Relays, Tyrone Dozier streaking around the track at the Indoor Boys Group 2 State Relays, Tyrone Dozier showing the agony of running at the Indoor Group 2 State Relays. P. 137 *Top left:* James Keith, long jump Champ flies through the air, *Top right:* James Keith pumping down the home stretch at the Indoor Group 2 State Relays (880 Relay), *Bottom:* James Keith making his move at the Indoor Group 2 State Relays (Mile Relay).

STUDENT GOVERNMENT

There are 40 members of the Student Government from grades 9 through 12. The primary purpose of the Council is to represent the student body of Central High School, help students to improve the morale and pride of the school, illustrate leadership, provide opportunities for students to share experiences in learning, review and evaluate current events and act as a liaison between the school, community and the Board of Education in promoting a harmonious atmosphere.

The student government also sponsors and participates in many educational and social activities. This year we held the "Miss Central Pageant", orientation for 8th graders from various elementary schools, The Student of the Month program, Teachers' Appreciation Day, school assemblies, bulletin board displays, and the City-Wide Superintendent's Meeting.

The student council members, also attended a very successful 3 day workshop on "*Basic Parliamentary Procedures*" conducted by the librarians, Mrs. McIntosh and Mrs. Butler in the Media Center.

The student council readily provides opportunity in a representative, democratically functioning form of governance.

The members have the opportunity to demonstrate leadership ability and express their concern in helping to improve the school and community.

WORK STUDY

The cooperative work experience program combines actual work experience with academic work in high school. Under this program students carefully selected as possessing potential for successful employment are placed in jobs in the local community on a part-time basis. Combining a job with school helps them to realize the relationship between educational training and life. It enables the young person to acquire the attitudes, work habits and skills necessary to make good on the job and to make progress after securing employment. The diversified occupations program is intended to give each trainee the opportunity to develop to the fullest and find in himself dignity and a greater degree of self-realization. Through this program we strive to help students bridge the gap between school and employment.

FUND RAISING COMMITTEES

A special thanks to those seniors who frequently took a few moments out of their day to work with me on planning a few activities for the seniors. It was a struggle and we were not always successful in doing what we planned but I enjoyed working with you. Good luck to you all.

Gail Yates
Advisor

MATHEMATICS CLUB

The purpose of the Math Club is to enhance students' mathematical interests and skills. These goals are achieved by providing enrichment activities which are geared towards new concepts and critical thinking, providing tutorial assistance, utilizing the computers, discussing careers in math and taking field trips.

SCIENCE CLUB

The Science Club consists of a unique group of dedicated students interested in careers in the scientific field. They are instructed about the educational requirements for careers in Genetics, Microbiology, Ecology, Biochemistry, Medicine, etc.

The members of this club have been privileged to participate in two hospital programs at Newark Beth Israel Medical Center and Clara Maass Memorial Hospital in Belleville. The highlight of these programs was the opportunity to witness open heart surgery.

YOUTH ADVISORY COUNCIL

The Youth Advisory Club (YAC) is a group of students whose major goal is to make the school lunch menu more acceptable to students and staff.

In addition, the club seeks to promote good nutrition through several activities and to improve aesthetic surroundings in the cafeteria, usually by decorating for various occasions.

HOSTESS CLUB

The Hostess Committee is a group of special Central High students that serve as hostesses for school activities. Their charm, etiquette and protocol enrich our social functions and provide an invaluable service. Our guests are even provided with home baked goodies from this group of lovely ladies.

Darryl Skinner

Henry Mapps

Andre Freeman

Tyrone Williams and William Harris

CENTRAL'S MUSICAL GROUPS

The Central High School Mixed Chorus performs a winter and spring concert each year. The chorus has performed at the Teen-Arts Festivals at Rutgers University and has given numerous concerts in the metropolitan area.

The Central High School Blue Devils Marching Band performs a winter and spring concert annually. The band has participated in the Columbus Day Parade and Halloween Day Parade in Newark. The band has also performed in several Veterans' Day and Memorial Day Parades in the surrounding communities.

I.D. CLUB

This club takes ID pictures during the school year for each student. They make special ID cards for aerospace, COED, and Work Study.

PRINTING CLUB

This club does all the school printing. They also do work for community charity groups. They help each teacher by printing tests and handouts.

CHESS CLUB

The Chess Club consists of beginning and intermediate players who come together to challenge each other in this mind boggling game of Chess. Chess requires constant play to improve your techniques and skills as a problem-solver.

ORGULLO LATINO

In 1980, three teachers from the Bilingual Program organized the Hispanic students at Central High into a club which was to be known as *Orgullo Latino*, or Latin Pride. The club provides for two basic goals. First, it provides the opportunity for the Latino students to come together on a periodical basis to discuss, plan and organize activities relevant to the Latino experience. Second, it provides the Latino students with a vehicle for fostering and strengthening friendship, civic obligations and love and respect for education.

The club meets at least once a month on Tuesdays or Thursdays in room 519. The three teachers responsible for the club are Mrs. A. Mercado, Ms. M. Roig and Mr. J. Escobar-Carrasquillo.

The club carries out its activities through the sponsorship of the school and A.S.P.I.R.A., an educational agency in Newark geared to meeting the needs of Puerto Rican students.

HONOR SOCIETY

These students are members of the National Honor Society. Each member demonstrates outstanding qualities in leadership, character, scholarship and service. These traits are a prerequisite to being a member of this prestigious group.

Under the direction of Mrs. Jerelean Reed the National Honor Society volunteers their free time to students in need of tutoring. The members are also active in other school activities.

TANGENT

Through interviews, sports stories, photographs, and creative writing, the Tangent keeps students informed of the latest happenings. The paper is under the direction of Ms. Shipman and Mrs. Boone. The Tangent is a complete newspaper with something for everyone.

FUTURE NURSES CLUB

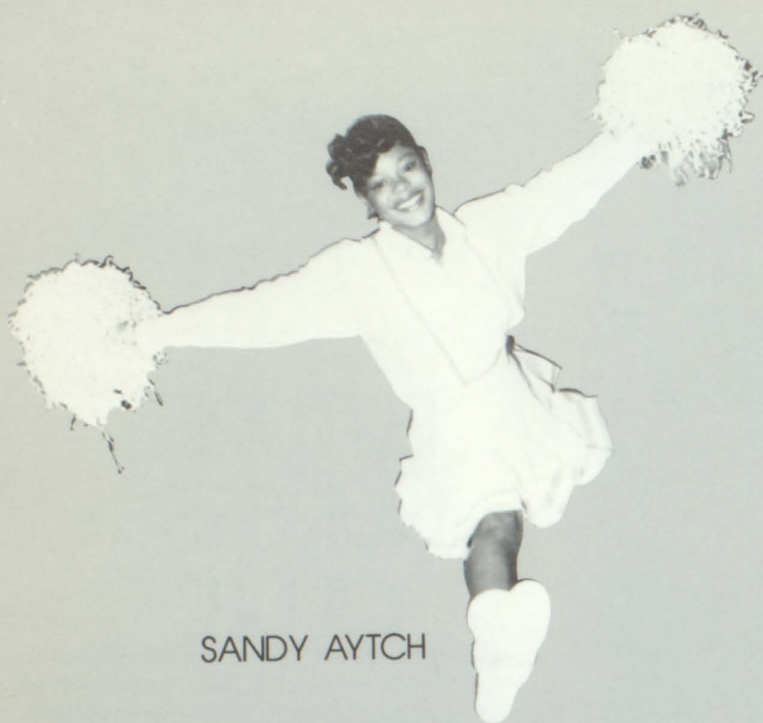

The Future Nurses' Club affords the student participants an opportunity to have exposure to the nursing profession and aids the student in actual future career selection.

The activities for 1984-5 included service work such as Christmas baskets for the needy, clothes drive for fire victims, food and clothes for Ehtiopia, and cheer-up notes to students and staff.

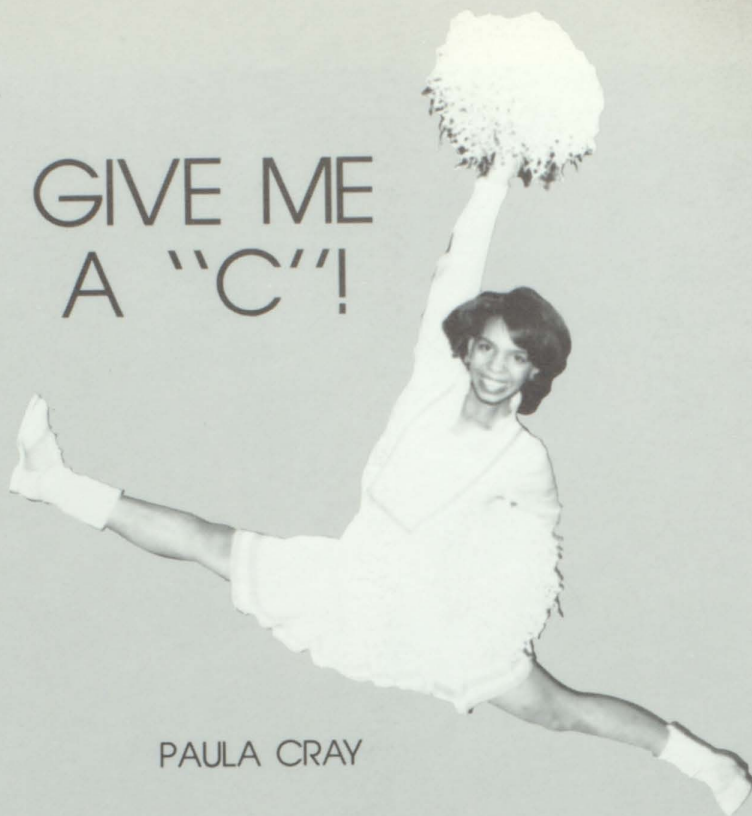

PANC/ NYAD

The Positive Alternatives Now-Council/Newark Youth Against Drugs (PANC/NYAD) is a peer-leadership group. Participants feel free to express their problems and to work toward a real solution.

GIVE ME
A "C"!

PAULA CRAY

VANDETTA REID

The cheerleaders' activities this year included cheerleading competition, varsity basketball, parades, and loads of excitement.

For the first time in the school's history, the squad participated in cheerleading competition at the Meadowlands Arena, hosted by the N.J. Nets basketball team and their sponsors.

Our squad exemplified excellence in the categories of cheering and dance, and as a result finished in impressive fashion. The knowledge we acquired helped us incorporate a new look and sound into our cheers and chants. As an added bonus from the competition, we were invited back to cheer for the N.J. Nets basketball team on April 13, 1985.

Varsity basketball season was filled with spirit and making new friends. As we cheered for our team from the sideline we could see and feel the intensity being exerted through their offense and defense as a result of our support. Communication is responsible for the success of our cheerleaders' ability to excel to their fullest potential. Our display of sportsmanship made us a hit in the eyes of other squads. The commonality we shared with the other squads was the love and dedication for the activity we performed so well. In turn, an exchange of cheers and chants took place.

Parades are also a fun-filled part of our events. We participated in such parades as Columbus Day, Halloween (given by the city of Newark) and Black Heritage. These events made our school year a memorable one filled with EXCITEMENT to be remembered for a lifetime.

Congratulations to the members of the squad for a job well done. Paula Cray—captain, Vandetta Reid—co-captain, Sandy Aytch—co-captain, Sheretta Hester, Arlinda Newton, Debra Barnes, Pricilla Green, Conchita Canty, and Stacey Newton. Vernon Walker—coach and Michelle Brown—Assistant coach.

TWIRLERS

Because of the unfortunate incident with the football team, the Blue Devil Twirling Squad was not as active this year as it has been in the past. Still in all, the girls did their best to keep the spirit alive. They participated in a number of parades, practices, and other school functions. The girls are ready physically and academically, to get the Blue Devil spirit ready and rolling for next year's football season.

Sometimes putting a yearbook together can be quite trying. The color deadline for the first 16 pages is due in one week and we do not have enough color pictures to fill it. We have to call the photographer immediately to take more pictures but it takes at least a week before we can get them back. Another deadline is due and we do not know how many pages to allot for the senior section because we do not know and no one seems to be able to tell us exactly how many seniors we have. There is an important layout which needs a vertical picture and we only have horizontal ones. No one remembers which type style we use and the type book is misplaced. The cropper has disappeared. No one has a pencil. There are still seniors that have not turned in their information sheets. The typewriter skips and rips the paper. Everything that can go wrong does. Nervous breakdown time has arrived.

The above scenario is typical and familiar to all yearbook staffs. However, we were able to rise above the problems and to produce a yearbook of which we are very proud.

Under the direction of Marie L. Wolsifer, yearbook adviser, a group of dedicated, responsible seniors put together this collection of memories. Giana, Quintina, Marcus and Dedry came to room 308 daily to check in and do whatever had to be done at the time. They helped to make layouts, design pages, crop pictures, type, mark Central's identification number, and the page and position number of the photo on the back of the pictures, identify the people in the photos, and collect and write copy. They did a fantastic job. Sharon, Glen, Tyrone, Frances, Debbie, Paula, Harold, Regina, Sandy, Stephanie, Kim, Melorie, Reggie, Terrence and Lawrence all helped to make this book a success. Although it was hectic, we enjoyed putting it together and we hope it will be enjoyed by all who see it.

WELCOME TO CENTRAL

DR. JAMES WRIGHT

As the curtain falls on the end of another school year and the Class of '85 takes its final march through the portals of Central High School, tears of joy and regret flow from the hearts of many. You now walk off this stage of academic preparation to seek your respective roles in the challenging world which awaits your coming. You must realize that every individual has a place to fill in the world and is important in some respect whether he chooses to be so or not.

The end and aim of all education is the development of character. In the "Home of the Blue Devils", the total staff has been involved in this priceless endeavor. We, the Central family, encourage you to use the firm educational foundation implanted during your four year sojourn to move forward in your chosen post-secondary pursuits.

Years from now as new truths unfold and as the agony and ecstasy of days at Central High School begin to fade in your minds, I hope that through some means the emotional involvement of your days can be recaptured and those experiences relived with some intensity through the immortality of your pictorial history depicted in your yearbook.

The members of the Central family join me in wishing for you "Best of Luck" and "Sincere Regards for Your Success in the Future." Always remember you are a permanent member of the "Blue Devil" tradition-blending Pride and Character and that the doors of Central are always open for you.

Dr. James Wright
Principal

**YOU'VE
GOT TO
HAVE
HEART!**

But a city without
pride is like a
person without
a heart.

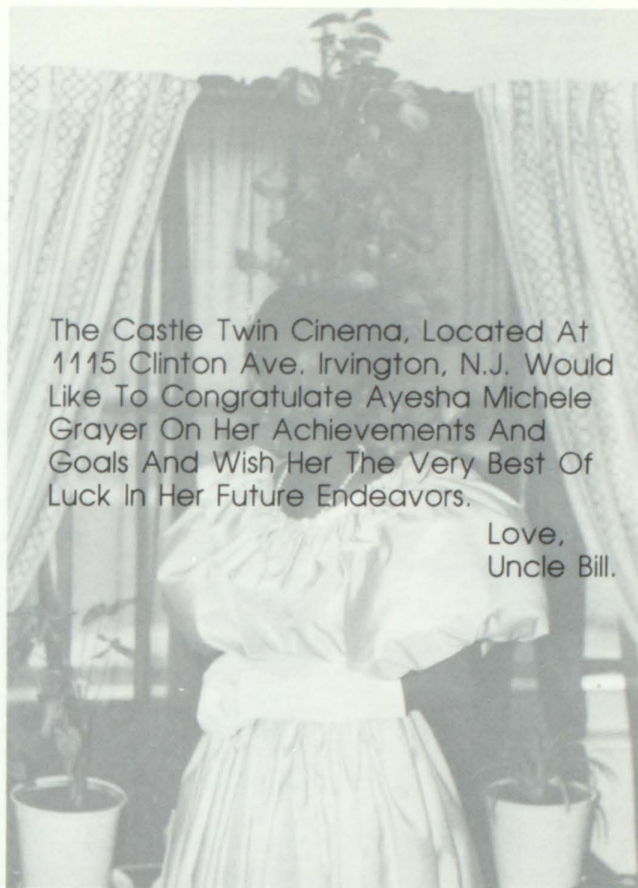

A city has
a character
and a heart
of its own.

If we all pitch in,
we can keep
the heart in the
city of **NEWARK!**

Darlene,

To a wonderful young lady I care for very much. I wish you much luck, happiness and peace in the future. I'm very proud of you.

Love Always
KEITH PEAY (OMAR)

The Castle Twin Cinema, Located At 1115 Clinton Ave. Irvington, N.J. Would Like To Congratulate Ayesha Michele Grayer On Her Achievements And Goals And Wish Her The Very Best Of Luck In Her Future Endeavors.

Love,
Uncle Bill.

Darlene

We are very proud of you. Watching you become a young lady has been a shared experience. We wish you much happiness and success in the future. We love you very much.

Love Always,
Aunt Marshall
and Aunt Shirley

Darlene,

We are so very proud of you. We wish for you success, love, and most of all happiness, in the future. Remember the values I've tried to teach you, and remember that we love you. The young lady that you have become makes it an honor to be your mother & brother.

Love Always
Mom and Jimill
